

Front Wheel Disassembly/Assembly

**WARNING**

Do not get grease on the brake disc, or stopping power will be reduced.

NOTE

- Replace the wheel bearings in pairs.
- Refer to the Common Service Manual, section 1 for wheel bearings replacement.
- Do not add more than 60 grams to the wheel balance weight.

Requisite Service

12-7

• Front wheel removal (page 11-7)

Procedure		Q'ty	Remarks
